**RESPONSE AFTER FINAL**

Dear Sir:

This Amendment is responsive to the final Office Action mailed on June 11, 2009. Claims 1, 2, 6-21, and 25-40 are pending.

As a preliminary matter, Applicant's counsel would like to thank the Examiner for the courteous and productive telephone interview held on September 9, 2009, the details of which are set forth below.

Claims 1, 6-15, 18-20, and 25-40 are rejected under 35 U.S.C. § 103(a) as being unpatentable over Gauthier (US 2002/0122205) in view of Mokuya (US 7,528,982).

Claims 2, 16, 17, 21, 35, and 36 are rejected as being unpatentable over Gauthier and Mokuya in view of Sansone (US 6,373,587).

Applicant respectfully traverses these rejections in view of the following comments.
